VOLUNTARY SERVICE CAMPAIGN 2008 INFINITI EX AND 2009 INFINITI FX STEERING COLUMN COMFORT ADJUSTMENT

CAMPAIGN ID #: P9201
APPLIED VEHICLES: 2009 FX (S51)
2008 EX (J50)

Check Service Comm to confirm campaign eligibility

INTRODUCTION

On some 2008 Model Year EX vehicles and 2009 Model Year FX vehicles, the steering column comfort adjustment features (tilt and telescopic) may stop working. This issue does not affect one's ability to steer the vehicle. Rather, it only affects the ability to adjust the steering wheel comfort settings.

To ensure a high level of customer satisfaction among potentially affected Infiniti owners, Infiniti is conducting a Voluntary Service Campaign to replace the tilt and telescope motors. This service will be performed at no charge for parts or labor.

Eligible Vehicles (check Service Comm to confirm campaign eligibility)

NOTE: Vehicles registered in States other than the ones listed above are not subject to this campaign. However, Infiniti has extended the New Vehicle Limited Warranty on the steering column assembly (only) from 48 months/60,000 miles to 72 months/70,000 miles (whichever occurs first). Owners will be notified of the warranty extension by mail and receive a sticker to place in their warranty booklet explaining the extended warranty coverage. Refer to Warranty Bulletin IWB/09-011.
