This TSB supercedes TSB-09-54-010, issued September, 2009, to revise warranty information. Revised information is italicized and indicated by ◀.

PURPOSE

Mitsubishi Motors North America, Inc. is extending the warranty for the front passenger door window switch on all affected vehicles to 10 years or 120,000 miles, whichever comes first, from the original in-service date. This extended limited warranty covers the front passenger door window switch currently installed on all affected vehicles, even if the original part was previously replaced. This warranty extension covers any problems with the front passenger door window switch and any related repairs due to a problem with that switch.

Affected vehicles with over 120,000 miles are covered by this warranty extension only if the switch replacement is made on or before October 31, 2009. After October 31, 2009, only vehicles within the 10 year / 120,000 mile limitation are eligible for this warranty extension.

AFFECTED VEHICLES

2001, 2002, and 2003 Galant - U.S. AND PUERTO RICO ONLY

CUSTOMER NOTIFICATION

A letter will be sent to all current owners of affected vehicles, informing them of this warranty extension. A copy of the customer notification letter appears on the next page of this bulletin.

If a customer is seeking reimbursement because they have already paid to have the front passenger door window switch replaced on their vehicle, inform them to submit a copy of the original repair order listing the switch replacement part number and proof of payment for the repair (original receipt marked paid, copy of cancelled check, or credit/debit card receipt) to the following address for reimbursement:

Mitsubishi Customer Relations Department, P.O. Box 6400, Cypress, CA 90630-0064

Dear Mitsubishi Owner:

Mitsubishi Motors North America Inc. (MMNA) has become aware of incidents where liquid drinks have been spilled on the front passenger door window switch. In certain situations, this has caused the switch to become inoperable.

To ensure your continued satisfaction, MMNA is extending the warranty coverage for this switch and any related repairs to 10 years (from the original delivery date) or 120,000 miles, whichever comes first. This extended limited warranty covers the front passenger door window switch currently installed in your vehicle, even if the original part has been replaced. This warranty extension covers any problems with the front passenger door window switch and any related repairs due to a problem with that switch.

If you have spilled a liquid drink on the front passenger door window switch, experienced a problem with the operation of the front passenger door window switch, or if you have experienced a blown fuse related to the operation of the front passenger door window switch, you may come in for a replacement of that switch.

Upon receipt of this letter, if your vehicle has more than 120,000 miles, but you have experienced a problem with the front passenger door window switch or have spilled a drink onto the front passenger door window switch, you can still make an appointment with your nearest Mitsubishi dealer to have that switch replaced at no charge. The repair date, however, must be **within 30 days of the date of this notification letter.**

Please keep a copy of this notification with your vehicle's warranty book for future reference. As with any electrical device, please also use caution to avoid spilling liquids into the door switch. If you have any questions regarding this warranty extension, please contact Mitsubishi Customer Relations at 1-888-648-7820. Hours of operation are 7:00 AM to 4:00 PM Pacific Time. For the location of your nearest Mitsubishi dealer, please refer to our website: www.mitsubishicars.com.

Sincerely,

Mitsubishi Motors North America, Inc.
