Dear Valued Jayco RV Dealer:

Jayco has determined certain Model Year 2014 Eagle Model CY Travel Trailers require an inspection to confirm if the power cord is laying free in the furnace area or is located in a box behind the furnace. If inspection finds that the power cord box is missing, one will be installed in the unit and the power cord placed in the box.

Our records indicate that the following Eagle CY Travel Trailer is currently stock at your dealership: “serial number”
