

Subject <b>2013-2014 Scion xB: Shift-Lock Override Cover Location</b>		Market <b>USA</b>
Service Category <b>General</b>	Section <b>Pre-Delivery Service</b>	
Applicability <b>xB</b>		

<b>APPLICABLE VEHICLES</b>	
2013-2014	xB

**CONDITION**

The purpose of this Tech Tip is to help identify the shift-lock override cover location when performing Pre Delivery Service (PDS).

The shift lock override cover is typically attached to the shifter, for the xB however, the cover is located in the glove box.
