SUBJECT: Service Campaign TJJ - 2017 Santa Fe TCU Software Update
(TSB# 16-01-032)

Hyundai Motor America is conducting a Service Campaign to update the TCU software on certain 2017 Model Year Santa Fe vehicles. Service Campaign TJJ provides a procedure to update the TCU software.

In order to identify only those vehicles affected by Service Campaign TJJ, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TJJ.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Dealer Stock and Retailed.

TSB #16-01-032 is available on Hyundai's Website as of August 02, 2016. It contains instructions on performing the service and submitting the campaign claim.

Applicable software for this campaign is available on Hyundai's Service Website.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
