Replacement (TSB# 16-01-034) -Retailed-

Hyundai Motor America is conducting a Service Campaign to replace the thermostat on certain retailed 2017 Model Year Elantra vehicles. Service Campaign TLL provides a procedure to replace the engine thermostat.

In order to identify only those vehicles affected by Service Campaign TLL, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TLL.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Retailed.

TSB #16-01-034 is available on Hyundai's Website as of August 04, 2016. It contains instructions on performing the service and submitting the campaign claim.

*Thermostat parts ordering will be placed on "Campaign Parts Management" (CPM).*

*A limited initial shipment of Thermostat began shipping on August 4<sup>th</sup> to certain affected dealers.*

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
