Subject	TEMPORARILY SUSPENDED: 16-030/16-040 Lock-Up Clutch Function/Torque Converter						

DATE: July 21, 2016

TO: All Acura Sales, Service & Parts Managers and Personnel

FROM: Campaign Administration

Re: **TEMPORARILY SUSPENDED:** 16-030 Product Update: Software Update for Lock-up Clutch Function
TEMPORARILY SUSPENDED: 16-040 Warranty Extension: 2012 TL Torque Converter

Today, July 21, 2016, Acura temporarily suspended service bulletins 16-030, *Product Update: Software Update for Lock-up Function* and 16-040, *Warranty Extension: 2012 TL Torque Converter* from the Service Information System and VIN Inquiry due to concerns with software update VIN database mismatches. The database is expected to be updated by the end of next week, at which time 16-030 and 16-040 will be reinstated on the Service Information System. Vehicles already updated or repaired under either bulletin will not require further action due to this change.

Acura will notify all dealers via iN message once the situation has been resolved.
