SUBJECT: Service Campaign T1L - 2017 Santa Fe Sport Fuel Tank
Vent Valve Replacement (TSB# 16-01-068)

Hyundai Motor America is conducting a Service Campaign to replace the fuel tank vent valve on certain 2017 Model Year Santa Fe Sport vehicles. Service Campaign T1L provides a procedure to replace the fuel tank vent valve.

In order to identify only those vehicles affected by Service Campaign T1L, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T1L.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - DEALER STOCK and RETAILED.

TSB #16-01-068 is available on Hyundai's Website as of December 12, 2016. It contains instructions on performing the service and submitting the campaign claim.

A shipment of fuel tank vent valves began shipping on December 9th to certain dealers with affected vehicles. Additional parts can be ordered from your Facing PDC. Fuel tank vent valve will be placed on "Campaign Parts Management" (CPM). The special tool to use in this campaign has been shipped to each dealer.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
