NISSAN BULLETIN Center Seat Quality Assurance Hold

Reference: PC469
Date: August 1, 2016

Attention: Dealer Principal, Sales, Service & Parts Managers

UPDATE August 1, 2016

The announcement from July 14th, 2016 has been revised to include:

- Information on action necessary for the previously announced quality hold

A STOP SALE CONDITION IS IN EFFECT.

Affected Models/Years:	Affected Population:	Dealer Inventory:	SERVICE COMM Activation date:
MY2016 Titan (A61 & A61D)	NA	23	July 14, 2016

***** Detailed Information *****

As per our previous announcement, Nissan placed a temporary Quality Assurance (QA) Hold on approximately **23** MY 2016 Titan vehicles on July 14, 2016 to ensure vehicles delivered to our customers meet our exacting standards and customer expectations. This temporary hold remains in effect.

Nissan has concluded the affected vehicles will require the front center seat assembly to be replaced as the center seat riser does not meet Nissan design standards.

***** What Dealers Should Do *****

1. Verify if vehicles currently in dealer inventory are affected by this QA Hold using Service Comm I.D. **PC469**
Note: Dealers should continue to check new arriving inventory for QA Hold applicability.
2. Please do not sell or trade any affected vehicles in Dealer Inventory.
3. No further action is necessary at this time. Nissan will communicate instructions and claims information when parts shipments begin to affected dealers.

***** Release Schedule *****

Parts	• Parts will begin shipping to dealers the week of August 15, 2016
Repair	• Dealers will be asked to replace the center seat assembly. • Nissan will distribute repair and claims information to the dealers once parts are available.

Thank you for your prompt attention to this matter.
