REVISION HISTORY

Revision	Date	Purpose
1	June 01, 2010	Original publication
2	November 09, 2012	Warranty Parameter Updated
3	May 1st, 2013	SAGA claim entry procedure updated to reflect label pricing change. <ul style="list-style-type: none">• Repairs performed on or after May 1, 2013, claim label price of \$9.45.• Repairs performed on or before April 30, 2013, claim label price of \$7.50.
5	May 2, 2016	Saga claiming instructions modified to reflect current label reimbursement guidelines.

Condition

This update has been proactively released to replace the emissions label on the vehicle.

This UPDATE is in effect until removed.

Vehicle must meet all of the following criteria:

- Procedure is valid only for vehicles that show the 24R6 code in ElsaWeb, Campaign/Action Information screen on the day of repair.
- If the vehicle is sold it must be within the Federal Emissions Warranty.
- Procedure must be performed within the allotted time frame stated in this UPDATE.
- Procedure must be performed on applicable vehicles in dealer inventory prior to sale.

Technical Background

Affected vehicles have an incorrect vehicle emissions control information label installed.

Production Solution

Not applicable

Service

NOTE:

- *ElsaWeb is the only valid inquiry/verification source. Check ElsaWeb on the day this vehicle UPDATE will be performed to verify vehicle eligibility for the UPDATE. Status must show "open". Attach an ElsaWeb printout showing the "open" status to the repair order.*
- *If this UPDATE appears to have already been performed but the code still shows open in ElsaWeb, contact Warranty before proceeding further. Another dealer may have recently performed this UPDATE but not yet entered a claim for it in the system.*
- *ElsaWeb may also show additional open action(s); if so, inform your customer - this work can be done while the vehicle is in for this UPDATE.*
- *Contact the Warranty Helpline (U.S.) or the Warranty Campaign Specialist (Canada) if you have any questions.*

- Open hood
- Locate and clean surface of old label

Note: Surface of old label must be clean, dry and free from oil residue

- Carefully affix new label (1K0 010 715) on top of old label
- Close hood

Tip:

Dealers needing additional labels and labels for customer vehicles can order them through the VW Hub online compliance label ordering portal.

Go to the order form, enter VIN, and select part number **1K0 010 715RVU.**

Warranty

Claim Entry Procedure	Enter your claim immediately upon completion of the UPDATE. Claims will only be paid for vehicles that show this UPDATE code open in ElsaWeb on the day of repair. To help ensure prompt and proper payment, attach the screen print to the repair order.
Claim Help	U.S. dealers - Contact the Warranty Helpline toll-free at 1-866-306-8447 for help with claim entry. Canadian dealers - Contact your Warranty Campaign Specialist. For contact information, please proceed to "ServiceNet – Warranty/Contact Information/Campaigns – "Warranty Campaign Specialist."
Required Customer Notification	Ensure customers are aware of all work performed on the vehicle by recording the information on the repair order. Attach a copy of the <i>Vehicle UPDATE Fact Sheet</i> to the customer's copy of the repair order and take the time to explain this UPDATE to your customer.
