CAMPAIGN BULLETIN

Accelerator Pedal Quality Assurance Hold

Reference: PM666

Date: January 31, 2017

Attention: Dealer Principal, Sales, Service & Parts Managers

Affected Models/Years:	Affected Population:	Dealer Inventory:	SERVICE COMM Activation date:	Stop Sale In Effect
MY2017 Sentra (B17)	NA	4,066	January 31, 2017	YES

Nissan is committed to a high level of customer service and satisfaction. This commitment requires Nissan to periodically place certain specific vehicles on a temporary Quality Assurance (QA) Hold to assure that these vehicles, as delivered to our customers, meet our exacting standards and our customers' expectations.

Effective immediately, Nissan is placing a temporary Quality Assurance (QA) Hold on approximately **4,066** specific MY2017 Sentra (B17) vehicles. Nissan has learned that specific accelerator pedals may not be manufactured to specification and is investigating this concern.

******* What Dealers Should Do *******

1. Verify if vehicles currently in dealer inventory are affected by this QA Hold using Service Comm I.D. **PM666**

Note: Dealers should continue to check new arriving inventory for QA Hold applicability.

2. Please **do not drive, sell, or trade** the specific 2017 Sentra vehicles in Dealer Inventory subject to this QA Hold.
3. No further action is necessary at this time. Nissan will provide an update by February 3, 2017.

Thank you for your prompt attention to this matter.
