Request for Visit: 2012-2014 CR-V Parking Brake Indicator Inop To: All Honda Service Managers/Advisors From: **Technical Research & Support Group** RE: Request for Visit: 2012-2014 CR-V Parking Brake Indicator Inop

This message is solely directed to Honda dealership personnel; please handle accordingly. Print this *iN* message and provide a copy to the Shop Foreman and all Service Advisors.

Background

Subject

American Honda (AHM) is investigating certain 2012-2014 CR-Vs with a complaint of the parking brake indicator not illuminating when engaged. To fully understand the cause of this condition, AHM would like to inspect the vehicle prior to your attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

- 1. VIN must start with 2HK.
- 2. Both 2WD & 4WD are accepted.
- 3. First time complaint only.
- 4. No previous repair for this issue.

Action Required

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
