TECHNICAL SERVICE BULLETIN

SUBJECT: SERVICE ACTION: SOUL (PS), OPTIMA (QF) AND SORENTO (XM) NAVIGATION SYSTEM UPGRADE (SA161)

This bulletin provides the procedure for upgrading the navigation system on some 2014MY Soul (PS), Optima (QF) and Sorento (XM) vehicles. Follow the procedure outlined in this TSB to update the operating system for the navigation unit. **At the completion of this Service Action on all affected vehicles in dealer stores prior to January 1, 2014.** Before conducting the procedure, verify that the vehicle is included in the list of affected VINs.

* NOTICE

This is an **offline** upgrade service for the navigation operating system and **NOT** a map upgrade.

* NOTICE

A Service Action is a repair program without customer notification that is performed during the warranty period. Any dealer requesting to perform this repair outside the warranty period will require DPSM approval.

Repair status for a VIN is provided on WebDCS (Service> Warranty Coverage> Warranty Coverage Inquiry> Campaign Information). Not completed Recall / Service Action reports are available on WebDCS (Consumer Affairs> Not Completed Recall> Recall VIN> Select Report), which includes a list of affected vehicles.

This issue number is **SA161**.
