Subject ZDX Inflator Kit - UPDATE

On Monday November 7th, American Honda notified all dealers of an issue with airbag inflator kit PN 04790-SZN-407 for 2010-2011 ZDX.

The issue involved very specific serial numbers from specific lots. As of Thursday November 10th, all dealers that received suspect serial numbers have been contacted by American Honda and inspections of any suspect parts have been completed.

If you have not been contacted by American Honda and did not have any suspect parts, no further action is required.

Please resume scheduling repairs and utilizing your on-hand inventory as well as any parts received from American Honda. All existing parts have been validated and are OK to be used.

We apologize for any inconvenience this action may have caused. Thank you for your cooperation
