Audi Pre-Delivery Inspection

Stock No. Dea	aler Number	R.O. No.
VIN Roa	nd test mileage out	Road test mileage in
Reminders		
► All items must be completed prior to custor	mer delivery by an Au	udi technician
► Audi recommends using an Audi approved b	pattery charger to pro	event excessive battery discharge during inspection
► It is advised to start ODIS with the engine r during the SVM check vehicle configuration	-	5F Test Plans in GFF and also to ensure SVM sees all control units
▶ Refer to the Special functions tab of ODIS D	iagnosis using GFF f	or the PDI function tests
► For items marked with *, please refer to the	PDI Technician Refe	rence Document posted on ServiceNet for additional information
Open Campaigns/Updates		Trunk Inspection (continued)
Check Elsa for open campaigns and updates	5	Set spare tire pressure (See separate "2016 Normal Load Condition Tire Pressure Table" posted on ServiceNet)
Transport Mode Deactivation, DTC Check, Set Service Reminder		☐ Verify operation of Hands-free trunk release
☐ Deactivate air suspension loading mode* ☐ Deactivate vehicle transport mode*		☐ Verify operation of luggage cover
		$\hfill \square$ Verify tool kit is installed securely in luggage compartment
Perform any open campaigns *		Interior
Set adaption channel to enable CD Ripping (if equipped with		Check heated steering wheel operation (if equipped)
NAV)*	(equipped i.i.e.i	Verify operation heated/ventilated & massaging seats (if
Set service reminder*		equipped)*
Under the Hood Inspection		☐ Verify operation of all seat belts and latches
☐ Check all fluid levels and top off if necessary ☐ Check battery clamps for proper torque*		☐ Verify operation of front Passenger Occupant Detection
		System
Check engine oil level*		Verify proper operation of climate control*
Perform a battery test*		Verify rear climate control operation (if equipped)*
		Switches / Outlets and Windows
Exterior		Check horn operation
Check all doors for proper power closing (if	equipped)*	☐ Check operation of window, lock, and seat controls*
☐ Check all key buttons and features*☐ Verify power rear lid/tailgate is operational		☐ Check panoramic sunroof operation*
		☐ Check rear view mirror operation*
Lighting and Windshield		☐ Inspect mirrors for proper operation*
☐ Test exterior lighting functions		☐ Inspect operation of all power outlets*
☐ Test front washers (and headlight washers	if equipped)*	☐ Verify operation of all interior lights*
Trunk Inspection		Audi connect (USA ONLY) (if equipped)
☐ Install wheel bolt cover removal tool from PDI kit into trunk		☐ Check Wi-Fi hotspot functionality*
