TT 91-16-06

Date: February 19, 2016

**2015 Jetta, Beetle, Beetle Convertible, EOS, Passat, CC,
Tiguan- Equipped with Premium 8 Radio- Rear View Camera
Display very Grainy and in Black and White**

If the customer mentions this concern, check for aftermarket USB charger installation. Remove the charger and retest. If color display is returned, the charger is the cause as the result of interference.
