2009-2015 Tiguan, CC, Passat, Touareg with Rear View Camera – Rear View Camera Inoperative

March 20, 2015: Update to Model Year/Information.

The rear view camera operates in conjunction with the rear parking aid system. If there are no faults in the radio or rear view camera, be sure to check the parking aid system for faults. Buzzer or sensor faults must be corrected for proper rear view camera operation.
