GPOP - Issue Review System

Part Number: 68232614A\$, 68217514A\$

Part Description: Intake Manifold Gasket

Issue Description: Intake Manifold Gaskets on Pentastar Upgrade (Sales Code ERC/ERF) are reusable provided they are not cut, torn or melted. The gaskets are not required by warranty to be replaced like they are on Pentastar Classic (ERB/EHB). The new gaskets are not interchangeable with Pentastar Classic Intake Manifold Gaskets.
