## Pre-Delivery

Ensure Final Vehicle Quality Inspection Is Completed

- Enroll customer in Audi connect Services (http://MyAudiconnect.com)(if equipped and Audi connect Request to Initiate Services and T-Mobile T&C are signed) (USA Only)
- Deactivate the connection prompts for the online services (TEL function button > Settings > Connections > Data Connection > select Without request) (USA Only)

- Inspect exterior for damage, dings, dents, and surface scratches
- Check interior for cleanliness, grease marks and damage  
Repair all defects prior to customer delivery
- Verify vehicle is equipped as specified and all accessories are installed
- Check front/rear floor mats are locked in

## Customer Priority Topics

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

How long would the client like to spend on topics today? \_\_\_\_\_

### Priority Delivery Topics

- Audio and Entertainment System Controls
- Hands-Free Communication
- Trunk/Hatch/Tailgate
- Other Audio/Entertainment

### Personalize Vehicle Settings

- Bluetooth: Connect customer's Bluetooth phone and assist in copying and accessing phonebook entries. Ensure connection will occur automatically upon re-entry if desired. Refer to [www.audi.com/bluetooth](http://www.audi.com/bluetooth) for compatible phone list. Click on appropriate country
- Adjust mirrors, seats, and steering column to customer preference
- Assist with radio station presets
- Show how to connect iPod/MP3. Demonstrate MMI, SD cards and Aux-in jack (if equipped)

## Bluetooth Capability

- Pair the customer's phone with the vehicle
- Demonstrate how to answer, ignore and end calls
- Demonstrate dialing from directories/phonebook/call lists (received, missed, dialed calls)
- Refer to [www.audi.com/bluetooth](http://www.audi.com/bluetooth) for compatible phone list. Click on appropriate country
- Demonstrate conference calling (enable in the MMI under Telephone > Call Options menu)

## Introduce MMI Navigation System

**Audi connect (if equipped) (USA ONLY) (continued)**

- ▶ Explain Wi-Fi hotspot capabilities
  - Have the customer set up their Wi-Fi password Via TEL > Settings > Wi-Fi Settings > Select "Password." Ask the customer to enter an easy way to remember the password of at least 8 characters. Then Select "Apply settings" to save it
- Point out that the Audi connect Brochure (located in the glove box) contains additional information for customer review after delivery
- Show traffic reports (via your 4 year SiriusXM subscription), fuel updates, weather information, and real-time news feeds

**Navigation**

- Show how to input an address and a POI as the destination using the MMI (use Online Destinations if equipped with Audi connect)
- Show how to enter a stopover
- Demo how to "cancel" route guidance via the MMI (NAV > Destination > Cancel)
- Show how to store a destination
- Show how to customize route "criteria" (e.g., avoid toll roads) and "Settings" (e.g., 3D map and Map Orientation, and Google Earth Mapping [with Audi Connect services enabled])
- Show how to manipulate the map (zoom, scroll map area)
- Show how to repeat the last navigation announcement using the iNav steering wheel button
- Explain Tire Pressure Monitoring System and how to reset in the MMI

**Media Overview****Radio (AM/FM/SAT)**

- Show how to program preferred radio stations (press and hold knob)
- Explain the scanning/tuning functions
- Walk the customer through the steps to program favorite radio stations (press and hold knob). The customer should do this with your guidance
- Show the customer the manual seek feature. Select the FM Band > Functions. Turn control knob to Tuning/Channels and press the knob.
- Explain the settings for the Bang & Olufsen® system (if equipped)

**Media Overview (continued)**

- Explain to the customer that they have a 3 month free subscription to Sirius Satellite Radio and demonstrate how to get to the satellite band. Show them the SiriusXM Satellite Radio insert from the glove box, point out the station guide list, and demonstrate presetting a station of their choice for them.

**Audi Music Interface and CD/DVD Media**

- Show the location and demonstrate operation of the AMI interface and standard iPod cable
- Explain the different available cable options for different media (i.e. iPod, USB, Aux, etc)
- Explain CD/DVD loading/unloading

**Jukebox – Hard drive**

- Capacity (20 GB/up to 3,000 songs)
- Supported file extensions and formats per MMI manual
- Demonstrate importing and sorting from SD Card/Retail Audio CD. See owner's manual for supported file formats and maximum bitrates

**Video Capability (MMI3G+)**

- Demonstrate Video Playback using the SD media, Jukebox, & DVD media
- Explain acceptable video formats

**Interior**

- Demonstrate climate control functions (Note: Will operate in ECON mode when convertible top is open)
- Demonstrate multifunction steering wheel
- Explain Wiper/washer system/rain sensor
- Demonstrate how to activate heated/ventilated seats, heated mirrors, and neck-level heating system (if equipped)
- Show how to program memory buttons for seat and mirrors (if equipped)
- Demonstrate glovebox/valet operation
- Show Homelink® location and setup (if equipped)
- "Passenger Side Airbag Off" light: Explain that it illuminates if no occupant in passenger seat or if occupant is "out of position"
- Trip computer/Driver info display: explain toggle function via "RESET" on stalk. Reset "Trip Comp 1 and 2" prior to delivery
- Show how to set daylight savings time and time zone manually
- Explain the IP cluster and the information available

### In Car Video Tutorials

- Show the customer how to view the In Car Video Tutorials. Select the Car function button > Owner's Man. control button and follow the prompts.
- Point out these videos can also be viewed in the following ways:
  - ▶ Via the USB launcher found in the "Quick Questions & Answers Guide"
  - ▶ Via [www.auditechnology.com](http://www.auditechnology.com)
  - ▶ Via [www.audiusa.com/help/video-tutorials](http://www.audiusa.com/help/video-tutorials)

### Exterior

- Demonstrate locking/unlocking vehicle with Advanced Key (if equipped) and programming of keys (2 master, 1 emergency, 1 valet)
- (If equipped with Keyless entry) Explain to the customer that the vehicle is set from the factory to unlock only the door that is approached. Show them in the MMI under vehicle settings, where they can select their central locking preference and adjust it to "all doors" if preferred.
- Demonstrate opening trunk using the remote control
- Show how to open fuel door – push/pull release
- Advise the customer to only use oil that meets Audi 502.00 standards
- Advise the customer that Audi recommends using Top Tier Detergent Gasoline with a minimum octane rating of 91AKI (95 RON)

### Owner's Documents

- Take the Quick Questions & Answers Guide from the glove box, open it, and demonstrate how to use it with the customer
- Explain the USB launcher use
- ABS should insert their business card in the slots available next to the USB launcher
- Explain the "text to phone" features for viewing tutorials on a smart phone or at the Audi Technology website: [www.auditechnology.com](http://www.auditechnology.com)
- Owner's Manual, MMI Manual and other manuals as equipped
- Warranty & Maintenance Booklet (stamp to confirm PDI was completed): Adhere "vehicle identification label" from the vehicle trunk to the inside cover of the Warranty & Maintenance Booklet prior to delivery
- Review the recommended maintenance schedule. Explain the importance of getting the Warranty & Maintenance Booklet stamped for each maintenance performed
- Tire Warranty Booklet: Explain coverage from tire manufacturer

### Owner's Documents (continued)

- License/insurance/registration/title (if applicable)
- 24-Hour Roadside Assistance information; ask customer to program number in their phone
- Provide Audi Care Information
- Lemon Law Rights Booklet or Lemon Law Notice as required by law (USA ONLY)

### Convertible Top

- Show how to open and close. Mention top should be only operated with engine running to conserve battery power
- Do not leave in partial open/closed position for >5 minutes
- Show emergency top and storage cover manual release tool and refer to owner's manual for instructions
- Demonstrate proper installation, folding and storage of wind deflector

### Orientation Drive

- Explain when key fob is in ignition, start button is disabled (if equipped). To remove key fob from ignition/dashboard, push key once to release and wait 0.5 seconds before removing the key from ignition/dash
- Discuss that foot must be on brake when starting/stopping
- Show how to set the electromechanical parking brake
- Explain Audi drive select and how to select the various modes (if equipped)
- Demonstrate rear view camera and rear parking sensors (if equipped)
- Demonstrate cruise control/ACC (if equipped)
- Explain Audi side assist functionality (if equipped): Point out the side assist button on the driver's side door. Show how to adjust the side assist light brightness in the MMI. Only works at speeds over 19 mph (30 km/h)
- Activate and demonstrate navigation system (if equipped)
- If equipped with front and rear park sensors, show the customer how they can customize the volume through the MMI under "Driver Assist>Parking Aid".

### End the orientation drive in the service write-up area

#### Service Introduction

- Tour service department and introduce to Service Manager and Service Consultant
- Set up first service appointment
- Ask customer if you can program service department's phone # in their phone
