Please be aware that the ETKA specified key remote battery for use in all vehicles from the 2015 Golf family is type CR2025 (VW part number N 10437301).

Use of battery type CR2032 (VW part number N 10528301) in 2015 Golf vehicles is not allowed, as this battery is thicker and may cause damage to the contacts of the key. Always check ETKA for the latest part number information when replacing the key battery.
