

IMPORTANT INFORMATION

Please inform and provide a copy of this document to every person in your dealership with campaign-related responsibilities, including Service, Parts and Accounting personnel. By law, dealers must correct, prior to delivery for sale or lease, any vehicle that fails to comply with an applicable Federal Motor Vehicle Safety Standard or that contains a defect relating to motor vehicle safety. **If you have questions regarding this or any other campaign, please contact Warranty.**

Service Action

Code: 17E9

Subject: **Owner's Manual Engine Compartment Overview
2013 MY Audi A4/S4 Sedan, allroad, and A5/S5 Coupe**

December 09, 2014

Problem Description

The Owner's Manual in certain 2013 model year Audi vehicles was printed with incorrect numerical callouts in the engine compartment overview artwork. This could cause confusion for anyone who relies on this information in order to identify key components within the engine compartment.

Corrective Action

Affix a label containing the correct callouts over the existing engine compartment overview in the Owner's Manual.

- One (1) label will be mailed to each U.S. customer to affix within their English language Owner's Manual.
- Two (2) labels will be mailed to each Canadian customer to affix within their English language and French language Owner's Manuals.
- A supply of labels will also be allocated to dealers to address inventory and customer vehicles.

Affected Vehicles

U.S.A. and CANADA:

2013 Audi A4/S4 Sedan, allroad & A5/S5 Coupe

Verify the open Campaigns/Actions screen in Elsa to determine if the VIN# applies to this Campaign/Action

NOTE:

- *Elsa is the only valid campaign inquiry/verification source. Check Elsa on the day the campaign work will be performed to verify vehicle eligibility for the repair in order to receive claim payment consideration. Campaign status must show "open".*
- *If this repair appears to have already been performed on the vehicle but the code still shows open in Elsa, contact Warranty before proceeding further, e.g. a dealer may have recently performed this repair but not yet entered a claim for it in the system.*
- *Elsa may also show additional open action(s); if so, inform your customer - this work can be done while the vehicle is in for this campaign.*
- *Contact Warranty if you have any questions.*

Inventory Vehicle Open Campaign/Action Report (AIM)

On or about December 09, 2014 affected vehicles will be listed on the Inventory Vehicle Open Campaign Action report under My Dealership Reports (found on www.accessaudi.com & AIM). A list will not be posted for dealers who do not have any affected vehicles.

Parts Information and Allocation

Parts will be allocated prior to customer notification. If you have exhausted your allocated parts but have exceeded your weekly Upper Order Limit, please submit your requests for additional parts via email to upperorderlimits@vw.com. If you have questions regarding parts, please contact the Parts Helpline at 800-767-6552.

Owner Notification Mailing

On or about December 09, 2014, the customer mailing will take place. A sample copy of the owner letter is enclosed.

Service Action Expiration Date

- This service action will be available for customers free of charge **only until December 31, 2015**. *Vehicles repaired under this action must have this service completed on or before December 31, 2015 to be eligible for payment.*
- **Inspections/repairs performed after December 31, 2015 will not be eligible for payment.** *Dealers should keep this expiration date in mind when scheduling customers for this action.*
- If a customer wishes to have this service performed after the expiration date, your dealerships normal parts and labor cost associated with this repair will apply.

Claim Entry Procedure

Immediately upon completion of the repair work, enter the Applicable Criteria ID and Repair Operation from the following chart. **The Applicable Criteria ID is shown in Elsa.** Claims will only be paid for vehicles that show this campaign open in Elsa on the day of the repair. To help ensure prompt and proper payment, attach the screen print to the repair order.

**Subject: Service Action 17E9 – Correction to Owner’s Manual Engine Compartment Overview
2013 Model Year Audi A4/S4 Sedan, allroad and A5/S5 Coupe**

Dear Audi Owner,

As part of Audi’s ongoing commitment to customer satisfaction, we are informing you of our decision to conduct a service action on some 2013 Model Year Audi A4/S4 Sedan, allroad and A5/S5 Coupe vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? The Owner’s Manual in certain 2013 model year Audi vehicles was printed with incorrect numerical callouts in the engine compartment overview artwork. This could cause confusion for anyone who relies on this information in order to identify key components within the engine compartment.

What should you do? Enclosed please find a label containing corrected engine compartment callouts. Please affix this label over the existing engine compartment picture in your Owner’s Manual. If you prefer, your authorized Audi dealer can do this for you at your next service visit. This work will take just a few minutes to complete and will be performed for you free of charge.

Please keep in mind that your dealer can perform this service action for you free of charge only until December 31, 2015. If you wish to have this service performed after that date, your dealer’s normal parts and labor cost will apply.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, please forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, please call or write to:
