2012<mark>-2013</mark> Routan SEL Vehicles – Start/Stop Button Installation at PDI

June 21, 2013: Update to Information.

New Routan SEL vehicles should be equipped with a start/stop button which is to be inserted into the WIN module during PDI. The button is shipped in the driver door trim pocket or the by-pack (found on the third row seat.

## **Note:**

The switch will not be functional until after the transport mode has been deactivated.
