Subject: Service Campaign T2R - Genesis & Equus Anchor
Pretensioner Label Installation (TSB# 17-01-072)

Hyundai Motor America is conducting a Service Campaign to install warning labels on the driver's and/or passenger's seat belt assemblies on 2009-14 Model Year Genesis sedan and 2011-16 Equus vehicles. Service Campaign T2R provides a service procedure to install warning labels on the front seat belt assemblies.

In order to identify only those vehicles affected by Service Campaign T2R, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T2R.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Retailed.

TSB# 17-01-072 is available on hyundaitechinfo.com as of December 13, 2017. It contains instructions on performing the service and submitting the campaign claim.

An initial shipment of Equus labels began shipping on December 13th to dealers. The Genesis sedan labels are the same ones used in recall 160/169. Additional labels can be ordered from your Facing PDC. Labels will be placed on "Campaign Parts Management" (CPM).

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential any and all information and documents provided to you by Hyundai Motor America in the conduct of carrying out work for this service campaign.
