SUBJECT: SF546 - Revised Bulletin

This letter is to inform you that a revised bulletin for Field Service *SF546 FCCC X-Line Tag Axle Lock* is available on DTNAConnect. Please print and use the revised bulletin for all work under SF546 from this point forward.

REVISIONS: Groups C and D have been added to the SF546 campaign; the Replacement Parts table, Allowance Table, and work Instructions have been updated to include the vehicles in groups C and D. The SRTs have been updated to the new format with an "F" in the fifth position.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.
