TOL NOTICE (US&CAN) – January 23, 2018

New Diagnostic Software Available for Download

Diagnostic software version **2018-1** is now available to download. Dealers should download this update from your Triumph Diagnostic Software page under the Service/Technical menu and begin using immediately.

➤ Please ensure all new bikes have the latest software downloaded at PDI.
➤ Please ensure all bikes being serviced have the latest software downloaded.
➤ Please ensure all relevant staff are informed of this update.

Important Note: **We must confirm that dealers have downloaded this latest software update before delivery of any new 2018 Tiger 1200 models. Please take a moment to complete the following confirmation form following successful software download:**
