**BACKGROUND:**

On December 19, 2017, MMNA was notified by JX Nippon Oil & Energy Corporation that **LSD Gear Oil GL-5 SAE 90 (Part# MZ320345)** does not comply with the EPA’s Toxic Substances Control Act (TSCA). Due to this non-compliance, MMNA is requesting that all dealers immediately stop-sale/stop-usage of **LSD Gear Oil GL-5 SAE 90 (Part# MZ320345)**, and quarantine their supply of **LSD Gear Oil GL-5 SAE 90 (Part# MZ320345)** until further notice. Dealers failing to do this may be held responsible for violating the TSCA which can result in a fine.

**AVAILABILITY:**

To ensure customer satisfaction, an alternative oil has been located and will be supplied in 5 gallon pails until case quantities (quart size) become available. This alternative oil is the only MMNA approved LSD gear oil currently available for Mitsubishi vehicles. The alternative established part number is as follows:
