### REVISION NOTICE

January 16, 2013 Rev1:

- The Warranty, Tools & Equipment, and Repair Procedure sections have been updated.

Any previous printed versions of this bulletin should be discarded.

## Introduction

Three NEW applications (iHeartRadio, MovieTickets, and OpenTable®) have been developed to enhance the Entune experience in vehicles equipped with the Display Audio Navigation System with Entune. All customers with these vehicles have been shipped instructions on this update along with a USB drive to install the new applications. In the event that a customer requests the install be performed by a technician, follow the procedures in this bulletin to perform the update.
