No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

STATION LOGO

SIRIUSXM satellite radio hardware is in the Tuner and Amp Unit (TAU). The station logo is not shown in the center display because there is no visual data communication cable between the TAU and the Connectivity Master Unit (CMU). A blank white square frame is shown in place of the station logo.

Do NOT perform any repairs for these concerns.
