There have been quite a few questions about fleet vehicles impacted by the stop sale and recall.

These cars need to be repaired at a Subaru retailer. If a retailer has accepted delivery of one of these vehicles and the inspection shows that parts are needed, please contact:

Lisa Kuhn  
Direct phone: 856-488-8530  
Email: [lkuhn@subaru.com](mailto:lkuhn@subaru.com)

Lisa will log in the VIN and retailer information so parts shipments can be scheduled along with the other parts shipments.
