Description of Revisions: *This bulletin replaces the version dated 01/14/2019. This bulletin is a reminder that paper copy distribution will be discontinued in the near future.*

General Information

Due to the low demand for paper copies of Service Bulletins, and to reduce waste, DTNA will no longer be mailing paper copies of Service Bulletins as of March 15, 2019. Download PDF versions to print, as required, by clicking the icon at the upper right-hand corner of the bulletin on Technical Literature in DTNA Connect. See [Fig. 1](#).

Please contact us at TechComm@daimler.com for any questions or concerns regarding this change.
