       Service Managers, Parts Managers, and Warranty
       Administrators
From: Hyundai Motor America
Date: 04/30/19
Subject: Service Campaign T3T – 2018 Elantra GT and 2019 Veloster
DTC P0128 ECM Software Update (TSB# 19-01-016H)

Hyundai Motor America is conducting a Service Campaign to update
the ECM software on certain 2018 Model Year Elantra GT and 2019
Veloster vehicles equipped with 1.6L turbo engines. Service
Campaign T3T provides a procedure to update the ECM software.

In order to identify only those vehicles affected by Service
Campaign T3T, it will be necessary to access Hyundai Motor
America's "Warranty Vehicle Information" screen via WEBDCS before
starting the repair. The "Warranty Vehicle Information" screen
will identify affected vehicles with an open Service Campaign
T3T.

A listing of VEHICLES is also located on **WEBDCS**, **SERVICE** tab,
select **INFORMATION**, and select **UNCOMPLETED CAMPAIGN VIN LISTING –
Dealer Stock and Retailed vehicles.**

TSB #19-01-016H is available on Hyundai's Website as of April 30,
2019. It contains instructions on performing the service and
submitting the campaign claim.

Applicable software for this campaign is available on Hyundai's
Service Website.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE
SERVICED so your dealership can be compensated for your work and
Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential
any and all information and documents provided to you by Hyundai
Motor America in the conduct of carrying out work for this
service campaign. Hyundai Motor America dealers may use owner
information provided for the campaign only for the purpose of
conducting and performing this service campaign, and for no other
purpose.

Hyundai appreciates your cooperation and support. Questions may
be directed to your District Parts and Service Manager or
Warranty HELPREP line at 1-877-446-2922.
