*******Dealer Announcement*******

On March 29, 2019, Nissan announced a QUALITY HOLD with an associated STOP SALE on 260 MY2019 Pathfinder (R52) vehicles to ensure these vehicles, as delivered to our customers, met our exacting standards and our customers' expectations. Further investigation by Nissan confirmed these subject vehicles can be released for sale without further action. Accordingly, the STOP SALE is rescinded.

IMPORTANT: Effective immediately, the STOP SALE is rescinded and the subject vehicles may be released for sale.

******* What Dealers Should Do *******

1. Effective immediately, dealers may release for sale any vehicles in dealer inventory affected by this quality hold.

Thank you for your prompt attention to this matter.
