			from	to		
Chevrolet	Bolt EV	2017 - 2019	SOP	END	All	All

<b>Involved Region or Country</b>	<b>North America</b>
<b>Condition</b>	<b>The Power Line Communication Module (K190) is being placed on restriction through the GM Technical Assistance Center (TAC) is off restriction.</b>
<b>Cause</b>	<b>Ongoing review by Engineering and TAC.</b>

### **Correction:**

General Motors Technical Assistance Center part restriction on the Power Line Communication Module (K190) for the Chevy Bolt EV has ended.

We would like to thank all dealers who participated in this restriction for their cooperation.

The Power Line Communication Module (K190) can now be ordered through the regular GM CCA parts process or PQC process for required dealers.

Use the vehicle identification number (VIN), SI, and the GM Electronic Parts Catalog to determine the correct part to order.
