Subject: Owner Renotification KR2 (Dealer)

In our continuing efforts to ensure the best in customer satisfaction, Toyota is launching a Renotification Mailing on various model years and models.

Safety Recall/Special Service Campaign is an integral part of our commitment to meet customer expectations of Toyota products. Toyota will be sending Follow-Up Notices to remind owners whose vehicles have not yet had Safety Recall/Special Service Campaign repairs completed for the campaigns listed below.

We request your assistance in completing the applicable campaign repairs as owners receive the Follow-Up Notice and contact your dealership. Please note the follow-up activity may cause an increase in your current Safety Recall owner appointments. Toyota will continue with additional follow-up activities in the months to come. Please take this into consideration when analyzing your manpower requirements.
