### Check Engine Light with DTC P2170-11

2018 onward Discovery Sport, RR Evoque, E-PACE equipped with AJ20P4

#### **Customer Voice:**

- The Check Engine Light is on.

#### **Technical Description:**

- DTC P2170-11 is stored in the PCM.

#### **Status:**

- A revised PCM calibration is under development which will mitigate all customer impact from this DTC.
- Current release timing for revised PCM calibration is October 2019 for mid spec engine derivative and February 2020 for high spec engine derivative.
- DO NOT replace hardware for this DTC unless a fault is verified during diagnosis tests.
