There is a possibility that the electronic immobiliser will not enable the ignition in the vehicle due to a software error in the Connect control unit.

As a result, the vehicle will not start in the event of a fault.

Within the market area for which you are responsible, please arrange for this measure to be carried out on the affected vehicles immediately.

<b>Model type</b>	Cayenne (9YA)
<b>Model year</b>	from 2019 to 2020
<b>Manufacturing period</b>	between 10.31.2018 and 03.21.2019

### Porsche Mobility

If requested, the mobility of the affected customer can be guaranteed by offering a suitable replacement vehicle.
