

October 1, 2019

Attention: All Dealer Principals

Kia Motors America, Inc. will be conducting a Voluntary Emissions Service Campaign to inspect and, if necessary, replace the engine oil filler cap on certain 2018 MY Stinger, 2018 MY Cadenza, 2019 MY Sedona, 2019 MY Sorento, and 2019 MY Optima vehicles. The engine oil filler cap may contain a misprint of the SAE Engine Oil Viscosity Number.

The Technical Service Bulletin that provides vehicle repair procedures, affected VIN production range, and warranty claim information will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com on or around **October 1, 2019**.

Your Service Manager was sent a copy of the owner notification letter and a Q&A guide for campaign questions, both of which describe the issue. **Also included are examples of the Proof of Correction Cards and under hood campaign labels**, as well as information on how to access the list of affected vehicles on WEBDCS. The owner notification will be mailed on **October 4, 2019**.

What Should You Do

Please make certain the appropriate personnel in your dealership are familiar with the details of this Emissions Service Campaign to ensure proper responses to customer inquiries and requests to have the campaign performed on their vehicles.

For California Dealers ONLY

- The State of California has implemented the Registration Renew Tie-In Program that requires the completion of Emissions campaigns prior to vehicle registration renewal.
- Be sure to provide a completely filled out Proof of Correction Card to each owner upon completion of the campaign for owner use as proof during registration renewal.

For Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, and Washington dealers ONLY:

- The above-named states require that a completely filled out Emissions Recall Proof of Correction Card be provided to each owner for use, if requested, at vehicle registration renewal.

LEGAL PRIVACY LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this Emissions Service campaign, and for no other purpose.

Your prompt attention in completing this repair is appreciated. If you have any questions, please contact your Kia District Parts & Service Manager.

Sincerely,

Kia Service Department
