Symptoms
Power transmission / Automatic transmission / Automatic transmission - function / Limp-home mode
Power transmission / Transfer case / Transfer case - noises / Vibrating
Power transmission / Transfer case / Transfer case - noises / Grinding
Power transmission / Transfer case / Transfer case - noises / Rattling
Power transmission / Transfer case / Transfer case - noises / Howling/whistling
Power transmission / Transfer case / Transfer case leaks / Leaks
Power transmission / Automatic transmission / Automatic transmission - function / General
Power transmission / Automatic transmission / Automatic transmission - function / Poor start-off performance
Power transmission / Automatic transmission / Automatic transmission - function / Engaging process
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / General
Power transmission / Automatic transmission / Automatic transmission - function / No power flow

Power transmission / Automatic transmission / Automatic transmission - noises / General
Power transmission / Automatic transmission / Automatic transmission - noises / Humming/droning
Power transmission / Automatic transmission / Automatic transmission - noises / Howling/whistling
Power transmission / Automatic transmission / Automatic transmission - noises / Grinding
Power transmission / Automatic transmission / Automatic transmission - noises / Whistling
Power transmission / Automatic transmission / Automatic transmission - noises / Rattling
Power transmission / Automatic transmission / Automatic transmission, leaks / Leaks
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Blocks
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Gear indicator nonfunctional
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Catching/sluggish
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Gearshift lever/boot / Loose
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Gearshift lever/boot / Worn
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Noises / Tapping
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Gearshift lever/boot / Vibrates
Power transmission / Automatic transmission / Automatic transmission - function / Shifts
Power transmission / Transfer case / Transfer case - noises / Humming/droning
Power transmission / Automatic transmission / Automatic transmission - noises / Throttle lift-off clunking noise
Power transmission / Automatic transmission / Automatic transmission - noises / Whirring
Power transmission / Automatic transmission / Automatic transmission - function / Shuddering during start-off
Power transmission / Automatic transmission / Automatic transmission - function / Electrical fault/Fault code
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Gearshift lever/boot / Torn/cracked
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Noises / Whirring
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Noises / Squeaking
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Noises / Scratching
Power transmission / Transfer case / Transfer case - noises / Throttle lift-off clunking noise
Power transmission / Transfer case / Transfer case leaks / Oil leaks
Power transmission / Automatic transmission / Automatic transmission - function / Stalls engine
Power transmission / Automatic transmission / Automatic transmission - function / Blocks
Power transmission / Automatic transmission / Automatic transmission - function / Shudders
Power transmission / Automatic transmission / Automatic transmission - function / Slips
Power transmission / Automatic transmission / Automatic transmission - function / Shifting is rough
Power transmission / Automatic transmission / Automatic transmission - function / Shifting is delayed
Power transmission / Automatic transmission / Automatic transmission - function / Shifting is not performed or is delayed

Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Gear cannot be engaged
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Noises / Noise
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Nonfunctional
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Sticks
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Electrical fault/Fault code
Power transmission / Automatic transmission / Automatic transmission operation / Transmission mode selection / Shift mode button S/W/C/M nonfunctional
Power transmission / Automatic transmission / Automatic transmission operation / Drive position selection / Function / Steering wheel buttons nonfunctional
Power transmission / Automatic transmission / Automatic transmission - function / Poor shift quality
