

## Check Engine MIL with DTC P2402-00

19/20 MY Range Rover, RR Sport, RR Velar, Discovery, Discovery Sport, RREvoque, XE, XF, XJ, F PACE, F TYPE, E PACE

### **Customer Voice:**

- The Check Engine MIL is on.

### **Technical Description:**

- DTC P2402-00 is stored in the PCM.

### **Status:**

- We are seeking matched complete carbon canisters including DMTL pumps for analysis.
- Complete testing to verify physical circuit integrity.
- Once confirmed replace the complete carbon canister assembly including the DMTL pump.
- Raise an EPQR and include contact information for someone at the retailer who will serve as the point of contact for the shipping company to collect the original parts.
