

## GPOP - Issue Review System

**Part Number:** 68054996A\$, 68054997A\$

**Part Description:** Handle, Swivel Release and Grommet, Pivot Joint

**Issue Description:** The box bed divider swivel release handle and pivot joint grommet are intended for DS only, and not to be used on DJ or DT. These parts were removed from DJ and DT, since the bed extender obstructs tail lamp visibility requirements at some angles. Installing these parts onto the 2019 or later DJ and DT trucks will violate lighting obstruction requirements.
