## 44 RS3 tire specifications

44 20 75 2058788/1 March 10, 2020.

Model(s)	Year	VIN Range	Vehicle-Specific Equipment
RS3	2017 - 2020	All	Dynamic Package

## Condition

### Customer states:

- Multiple possible concerns (traction control light ON, handling quality, ride quality, TPMS issues, excessive road noise, etc.).

## Technical Background

On split fitment vehicles, using a tire other than factory fitment (a different brand, model, etc.) can create issues related to different rolling circumference (revs per mile) from the front to the rear axle.

Tires of the same market size can have actual different actual dimensions, this introduces the opportunity to have a different in size from front to rear.

### Approved Audi Tires for RS3 with Dynamic Package:

- **Front:** 255/30 R19 – Pirelli PZERO PZ4 Sport RO2 XL (DT2683500).
- **Rear:** 235/35 R19 – Pirelli PZERO PZ4 Sport RO2 XL BW (DT2683400).

### Note

No other tire brand/model/size is approved or recommended by Audi for this specific model combination, only the tires described above can be installed in an RS3 with Dynamic Package.

## Production Solution

Not applicable.

## Service

See *Technical Background*.
