Audi Pre-Delivery Inspection

| | | |
|-----------|-----------------------|----------------------|
| Stock No. | Dealer Number | R.O. No. |
| VIN | Road test mileage out | Road test mileage in |

Reminders

- ▶ All items must be completed prior to customer delivery by a certified Audi technician
- ▶ Audi recommends using an Audi approved battery charger to prevent excessive battery discharge during inspection
- ▶ Guided Fault Finding must be used, session must be completed and sent to GFF Paperless
- ▶ Total PDI Test must be completed prior to any other work involving the scan tool (special function tab -> Total PDI Test)
- ▶ Start Guided Fault Finding with the engine running to insure control modules in transport mode are identified
- ▶ For items marked with *, please refer to the PDI Technician Reference Document posted on ServiceNet for additional information
- ▶ For items marked with **, follow instructions for stock inventory vehicle

Vehicle Preparation

- Check Elsa for open campaigns and updates
- Verify Audi phone box customer registration form is present in vehicle and add the serial number from Elsa (if equipped). See TSB 2051720
- Perform any open campaigns*
