Subject: Updated status of models in network

The current network status of the each of the following models is listed below:

Model	Status
SF90 Stradale	Special series
Monza SP1 / Monza SP2	Special series
F8 Tributo / F8 Spider	New model
Portofino 812 Superfast 488 Pista/488 Pista Spider	Product currently in production

Please note that:

- For all models with the status "Product Currently in Production" and with a warranty active for less than 3 months, an ROL must always be opened even if the demerit score assigned is 20, 10 or 1.
- An ROL must always be opened, **irrespective of the model and the warranty date**, whenever it is necessary to assign a demerit score of 100 or 40 to a fault.

For more information on how to open and compile Red On Line reports correctly, please refer to the Aftersales Procedure Manual.

Given the importance of compiling Red On Line reports correctly, please remember that any non-compliance with these rules will result in the rejection of any claims for reimbursement under warranty for the job.

Thank you for your co-operation.
