## Product Change Notice - Unity X-4 board AC fan run time

Dear Valued Customer:

Please be advised LCI intends to adjust the timing on the Unity X-4 Board's air conditioning fan run time. Currently after the AC is shut off, the fan continues to run for three minutes, which is longer than the industry standard. The fan run time will be reduced to 10 seconds.

There are no changes for the OEM customer in installation or programming associated with the AC fan time change. There is no price change and no part number change.

The Unity X-4 Board part number is 755077.

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

**Zachary Inbody**

Sales Engineer
