Product Improvement Notice - Baggage door lock and latch o-rings

Dear Valued Customer:

Please be advised, as part of our continued efforts in product improvement, LCI intends to add an o-ring to baggage door latches and locks.

The o-ring is intended to add extra protection against moisture. There is no change in fit, form, function or installation with the new o-ring. There is no price change and no part number change. The change will be made on a running basis, starting the first week of September.

New o-ring

Current- Example of lock, no o-ring

New - Example of latch, with o-ring

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Scott McKinnon
Product Manager
