<b>From</b>	Campaign Group, Parts Operations						
<b>Subject</b>	Odyssey Rear Camera Availability for Service Bulletins 20-050 and 20-060						

As of Wednesday, September 23, 2020 part 39530-THR-A23 related to Service Bulletins 20-050 “Noncompliance Recall: 2019 - 20 Odyssey Rearview Camera” and “Product Update: 2018 Odyssey Rearview Camera” is available via open ordering.

American Honda has been continuously working with our vendors to increase capacity and improve part availability for customer repairs. Although the availability of parts continue to improve, we ask that dealers order only the parts that are immediately needed. This will allow for the most amount of repairs while we continue to improve our parts supply situation.

Thank you,

American Honda Motor Co., Inc.
