

Parts Withdrawal - Closed Workshop Campaign Parts

Replaces all previous bulletin bearing this number.

Attention: Porsche Parts Managers/Parts Personnel

As outlined in the PCNA campaigns post "Campaign Closing Process" (<https://ppn.porsche.com/portal/docs/DOC-299524>) Porsche will begin closing Workshop Campaigns open for more than 5 years. Recall campaigns are not affected by this action and will remain open until 100% completion rate.

Due to this, PCNA will request back parts from dealers for campaigns that have been closed, and are no longer available. Therefore, Porsche Cars North America requests return of the following parts to PCNA if in stock at your dealership:

Part Number

00004320996	00004320999	00004321002	00004321005
00004320997	00004321000	00004321003	00004398982
00004320998	00004321001	00004321004	00004398985

To avoid restocking charges and receive full credit, follow these steps:

- Please enter a return in PPL by Tuesday, October 6th, 2020.
- Please use **GR13D515** as a purchase order number.
- Parts returned to PCNA without a return delivery note will be sent back to the dealer at dealer's expense.
- Return requests received after the specified return date **will not be processed** and the parts will not be accepted for return. Parts will be coded non-returnable from that date on.
- These parts must be physically returned by close of business day on Monday, October 12th, 2020 to your facing PDC.

Thank you for your cooperation in this matter.
