TO: All U.S. Ford and Lincoln Dealers

SUBJECT: Customer Satisfaction Program 20B39
 Certain 2020 Model Year Multiple Vehicle Lines
 Front View and Center High Mount Stop Lamp Camera Improper Function

PROGRAM TERMS

This program will be in effect through November 30, 2030 or a maximum of 150,000 miles, whichever occurs first. If a vehicle already has accumulated more than 150,000 miles, this coverage will last through May 31, 2021.

AFFECTED VEHICLES

NOTE: Only analog cameras are affected by this program.

| Vehicle | Model Year | Assembly Plant | Build Dates |
|--------------|------------|----------------|--|
| F-150 | 2020 | Dearborn | October 26, 2019 through May 18, 2020 |
| | | Kansas City | November 2, 2019 through May 18, 2020 |
| Transit | | Kansas City | March 3, 2020 through March 11, 2020 |
| F-Super Duty | | Kentucky Truck | November 3, 2019 through May 18, 2020 |
| Expedition | | Kentucky Truck | October 30, 2019 through June 22, 2020 |
| Edge | | Oakville | November 13, 2019 through May 26, 2020 |
| Nautilus | | Oakville | November 21, 2019 through May 26, 2020 |

Affected vehicles are identified in OASIS and FSA VIN Lists.

REASON FOR THIS PROGRAM

In some of the affected vehicles, insufficient electrical conductivity within the Printed Circuit Board (PCB) internal to the camera may lead to intermittent front view or Center High Mount Stop Lamp (CHMSL) camera operation. This could result in a blank or distorted image from the front of the vehicle or of the truck bed.

SERVICE ACTION

Dealers are to replace the front view camera or the CHMSL camera following the dealer bulletin technical information. This service must be performed on all affected vehicles at no charge to the vehicle owner.

OWNER NOTIFICATION MAILING SCHEDULE

Owner letters are expected to be mailed the week of November 9, 2020. Dealers should repair any affected vehicles that arrive at their dealerships, whether or not the customer has received a letter.

OASIS ACTIVATION

OASIS will be activated on November 6, 2020.

FSA VIN LISTS ACTIVATION

FSA VIN Lists will be available through <https://web.fsavinlists.dealerconnection.com> on November 6, 2020. Owner names and addresses will be available by November 24, 2020.

NOTE: Your FSA VIN Lists may contain owner names and addresses obtained from motor vehicle registration records. The use of such motor vehicle registration data for any purpose other than in connection with this program is a violation of law in several states, provinces, and countries. Accordingly, you must limit the use of this listing to the follow-up necessary to complete this service action.

SOLD VEHICLES

- Owners of affected vehicles will be directed to dealers for repairs.
- Immediately contact any of your affected customers whose vehicles are not on your VIN list but are identified in OASIS. Give the customer a copy of the Owner Notification Letter (when available) and schedule a service date.
- Correct other affected vehicles identified in OASIS which are brought to your dealership.
- Dealers are to prioritize repairs of customer vehicles over repairs of new and used vehicle inventory.

STOCK VEHICLES

- Correct all affected units in your new vehicle inventory before delivery.
- Use OASIS to identify any affected vehicles in your used vehicle inventory.

TITLE BRANDED / SALVAGED VEHICLES

Affected title branded and salvaged vehicles are eligible for this service action.

OWNER REFUNDS

Refunds are not approved for this program.

RENTAL VEHICLES

Rental vehicles are not approved for this program.
