

GPOP - Issue Review System

Part Number: 68511159A\$

Part Description: ADAPTER, Engine Oil Filter

Issue Description: If you are replacing the oil cooler/filter housing for an oil leak that appears to be between the cooler, and the engine block, please refer to all published service information regarding proper diagnosis of oil leaks in this area before proceeding.

If all proper diagnosis has been performed, and there is still an active leak, please replace the oil cooler/filter housing gasket (pn# 68505111A\$) first before replacing the housing.
