Product Change Notice - Level Up Advantage Transition for LCD Interface Systems

Dear Valued Customer:

Please be advised LCI intends to update controllers 241129 and 307272 to controller 807615 as part of an effort to unify controller compatibility.

Current part numbers 241129 and 307272 will be replaced by part number 807615. New system kit numbers will be created if needed.

There is no change in operation or installation with the controller change and the controllers are backward compatible. There is no price change associated with the switch to 807615. The current controllers will become obsolete after 12/17/2020.

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Zachary Inbody
